

CE800ENT ELLIPTICAL TRAINER

Designed on the solid CE800 platform, the CE800ENT elliptical trainer incorporates touchscreen technology on a large 10.1" entertainment display. TV, web browsing, and music streaming are all made possible within a user interface that is easy to use and adaptable to nearly any facility. The CE800ENT was specifically engineered for the commercial environment, from its heavy-duty steel frame to its durable powder coat paint finish. Its design focuses on convenience, comfort, reliability, and aesthetic appeal.

CE800ENT ELLIPTICAL TRAINER

- Large 10.1" touchscreen with TV, web browsing, and music streaming
- 3 different workout display modes give users a variety of workout feedback
- Smooth, quiet 20" stride, which is the optimal distance for the average user
- Dual rollers on each pedal arm for a sturdier base
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers

Fan to keep you cool

Large 10.1" touchscreen display with TV, web browsing, and audio streaming

Tablet friendly reading rack holder

Convenient cargo compartment for keys, phone, or MP3 player

TV Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

DISPLAY The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

INTERNET Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

SETTINGS The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.

CE800ENT CONSOLE FEATURES

The CE800ENT features a modern 10.1" touchscreen display and electronics package that allows your clients to watch TV, browse the web, and stream their favorite music. Preset programs include a wide variety of popular workouts for the average user while heart rate programs and a custom program are available for more serious users. Ergonomically friendly pulse grip handles are within reach for a more natural hand position while a turbo cooling fan keeps your clients cool to encourage them to work out longer.
