

CT850ENT TREADMILL

Optional Extended Handrails

Designed on the solid CT850 platform, the CT850ENT treadmill incorporates touchscreen technology on an oversized 15.6" entertainment display. TV, web browsing, and music streaming are all made possible within a user interface that is easy to use and adaptable to nearly any facility. The cool running, brushless 4.0 horse power AC drive motor adds to the reliability of the treadmill while providing the torque and smooth continuous power required by the unique needs of its users.

CT850ENT TREADMILL

- Large 15.6" touchscreen with TV, web browsing, and music streaming
- 3 different workout display modes give users a variety of workout feedback
- Spacious 22" x 60" workout area to accommodate tall individuals
- Multi-ply Habasit® commercial belt for superior belt life
- Maintenance free, hard wax deck system provides hassle free use for thousands of miles
- Large aluminum side rails for stable support, easy cleaning and an elegant design
- Contact and telemetric heart rate options to help keep clients in their effective training zone

Fan to keep you cool

Oversized 15.6" touchscreen display with TV, web browsing, and audio streaming

Tablet friendly reading rack holder

Convenient water bottle holder and cargo compartment for keys, phone, or MP3 player

Ergonomically correct contact heart rate grips

TV Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

DISPLAY The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

INTERNET Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

SETTINGS The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.

CT850ENT CONSOLE FEATURES

The CT850ENT features a modern 15.6" touchscreen display and electronics package that allows your clients to watch TV, browse the web, and stream their favorite music. Preset programs include a wide variety of popular workouts for the average user while fitness tests, heart rate programs and a custom program are available for more serious users.
